For: Low Temperature Nuclear Fusion  
Art Unit: 3663  
Examiner: Richardo J. Palabrica  
( aka Rick Palabrica)

A Supplemental Amendment In Response To  
Communication Mailed 07/26/2007

Commissioner of Patents  
P.O. Box 1450  
Alexandria Va. 22313-1450

Sir:

The Applicant has recently received an Office communication mailed 07/26/2007 in this case indicating that the document filed 23 April 2007 was "non compliant" because: (1) "(Canceled)" was omitted after the number of claim 10 as it was set forth in this earlier document; and (2) the same number "19" was used to designate two claims and an unmentioned related error in the number of the next claim in order. In order to correct these and several other items entry of the changes in this application as indicated on the following pages 2 to 7 of this document is requested:
